Parents' Activities on the Computer (APC)

Faculdade de Ciências da Universidade do Porto (Paiva, J., Morais, C., & Moreira, L. – 2013)

Student

First of all, we would like to thank you for your collaboration and engagement in this activity. Your participation and feedback are valuable. There are no right or wrong answers. Your answers are strictly confidential.

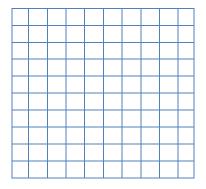

Part I

1. Please answer the following questions by marking with a cross (X) the grid that best matches your opinion, according to a scale of 1 to 6 (where 1 means strongly disagree and 6 means completely agree).

I've enjoyed participating in this activity.	1	2	3	4	5	6
My parent has involved himself/herself in this activity.	1	2	3	4	5	6
It has been important to collaborate in this activity with my parent.	1	2	3	4	5	6
I've engaged myself in this activity.	1	2	3	4	5	6
During the activity, there were unpleasant moments.	1	2	3	4	5	6
In the future would you be available to participate in similar activities?	1	2	3	4	5	6

2. Write at least three advantages as:	sociated to this activity.
- - -	
3. Write at least three disadvantages	associated to this activity.
- -	

4. Now we would like to know how this activity has improved your parent achievement. Imagine the grid below as the result of the work. Mention your contribution to the activity, by painting the number of squares you consider necessary. **Take Note**: the squares you **do not** paint correspond to the contribution of your parent. If you prefer, you can mention your contribution from 1 to 100. In the same way, the rest of the percentage is the contribution of your parent.

Part II

1. How would you characterize your relationship with Information and Communication Technologies (ICT)? Mark your best answer for each question by putting a cross (X).
